Dear Mr. Malin,

As you may recall, in December of 1975, a letter was sent from your company stating its intention to submit a Notice of Intent and Mining and Reclamation Plan. Under the Utah Mined Land Reclamation Act, the deadline for submitting said forms was July 1, 1977. The Division of Oil, Gas, and Mining is still awaiting the receipt of the Notice of Intent and Mining and Reclamation Plan.

Please inform us as to the status of your operation so that the proper steps may be taken to assure that you are operating in full compliance with this law.

A field inspection by members of our staff may be necessary to determine any additional requirements which should be met in order to issue approval to your operation.

Sincerely,

*Ronald W. Daniels*
